FINANCIAL POLICY

We are glad you have chosen us to provide you with your health care. We are a professional service organization that is dedicated to the practice of medicine, specializing in podiatry. The mission of our practice is to provide high quality medical care at a fair and reasonable cost to those in the area. We charge what are usual and customary fees for our area.

Your insurance policy is a contract between you and your insurance company. Please understand our office cannot accept responsibility for collecting your insurance claim or negotiating a settlement on a disputed claim. Whatever the outcome of your insurance claim, you are responsible for payment of your account. Past due accounts are an extra cost in operating an office. Our costs, and therefore your cost, are substantially increased when bills are not paid promptly.

The following is a statement of our Financial Policy, which we require that you read and sign prior to treatment.

**FULL PAYMENT IS DUE AT THE TIME OF SERVICE.
WE ACCEPT CASH, PERSONAL CHECKS, AND CREDIT CARDS.**

An exception to the above is the select insurance companies we bill directly or health maintenance organizations in preferred provider organizations we participate in. If we are a participating provider for your insurance company we will submit your claim directly to your managed care insurer. Co-payments, if any, will be collected at the time of your visit. Please be aware there is a possibility that some and perhaps all services provided may be a non-covered service that insurance did not consider reasonable and necessary under your medical insurance. If you received a service your insurance does not cover or if you have a deductible you have not met, we will request payment in full from you at the time you receive the service. Some insurance companies require a pre-certification with the insurance company prior to our doctors treating you. Please check your policy for this requirement.

Extended Payment Plan

We also understand that financial problems arise from time to time. Please let us know if you need to arrange a payment plan that allows you to pay off your balance in monthly installments. Our Patient Accounts Representative can assist you with these arrangements.

Thank you for reading and understanding our Financial Policy. Please let me know if you have any questions or concerns.

I have read, understand, and agree to this Financial Policy.

CANCELLATION / NO SHOW POLICY

We understand that situations may arise in which you must cancel your appointment. It is therefore requested that if you must cancel or reschedule your appointment, you provide more than 24 hours notice. This will allow another patient who is waiting for an appointment to be scheduled in that appointment slot.

Office appointments which are cancelled with less than 24 hours notification may be subject to a \$35.00 cancellation fee.

The Cancellation and No Show fees are the sole responsibility of the patient and must be paid in full before the patient's next appointment.

Patients who do not show up for their appointment without a call to cancel will be considered as NO SHOW. Patients who No-Show three (3) times within a 12 month period will be discharged from the practice and denied any future appointments.

We understand that "special" unavoidable circumstances may cause you to cancel within 24 hours and fees in this instance may be waived but only with the Administrator's approval.

Please sign that you have read, understand and agree to this Cancellation and No Show Policy.
